35 U.S.C. §103

As part of this Response, the claims rejected under 35 U.S.C. §103 have been canceled or amendments have been made to incorporate allowable claims into either the rejected claim or a claim from which the rejected claim depends. These cancellations and amendments have been made in order to expedite issuance of the allowable claims. These cancellations and amendments have not been made because Applicant agrees with the rejections of these claims under 35 U.S.C. §103, and should not be interpreted as having been made because Applicant agrees with the rejections of these claims under 35 U.S.C. §103. Additionally, these cancellations and amendments have not been made to overcome, and should not be interpreted as having been made to overcome, the rejections of these claims under 35 U.S.C. §103. Applicant reserves the right to pursue these claims in one or more continuation applications.

Applicant respectfully requests that the §103 rejections be withdrawn.
